MEALS

Please note that we do not eat pork or shellfish. We are primarily vegetarian eaters these days. We do eat fish, but prefer no meat. Plenty of vegetables, fruits, nuts, and legumes are vital. We also avoid most dairy products. We became careful about our eating habits as a result of Batya’s bout with cancer in 2005.

In the event that you would like to know our preferences:

- In the morning, at breakfast, or at lunch, regular coffee is fine. Later in the evening we refrain from drinks with caffeine.
- Batya drinks only herbal teas or water.
- It is better to have the main meal in the early or mid-afternoon.
- Barry prefers not to eat a heavy meal just before concerts or presentations.
- A light meal after evening meetings is always appreciated.
- We avoid cakes and creamy desserts.
- We enjoy meeting with leaders privately after the meeting or concert.
