VOLUNTEER OPPORTUNITIES

BE A VOLUNTEER IN JERUSALEM, ISRAEL? *Have you ever thought* of living in Israel for six months or a year, even longer? Have you ever desired to be one that would help to fill Messiah's commission to "Comfort His People?" If the answer to these questions is *yes*, consider beginning a faith journey to come and serve as a volunteer at *Vision for Israel and the Joseph Storehouses* in Israel.

WE ARE LOCATED: *Our offices and storehouses* are located in the beautiful Judean hills surrounding Jerusalem. They are distribution points for food, clothing and household items to needy individuals and families, including the widows and orphans and victims of terrorist attacks in Israel. *The Joseph Storehouse* also disperses supplies and equipment to medical institutions. In addition to this we aid the elderly and other low income groups around the country.

THE RANGE OF SERVICE OPENINGS: *Volunteer positions* in our offices and warehouses cover a wide variety of interests, education and talents. **We are in need of computer experts, nurses and medical personnel, staff for the welfare department and administrative personnel.**

CONSIDER JOINING US: *We invite committed volunteers* to be with us for a time of service in Messiah's Land. We require individuals and couples who can commit to at least six months and hopefully a year.

A FAITH JOURNEY: *It is an often quoted* and true statement that "Where the finger of God points, the hand of God provides." The most important thing is His call and your response. As with Abraham, when the heart responds with "yes" to His summons and the first step is taken on the journey, provision follows. The majority of those who have come as volunteers, as well as those of us who have remained over the years have followed the faith pattern of Abraham and Sarah.

SUPPORT DETAILS: *Volunteers must be able* to raise their own support for travel and for the duration of their stay in Israel. Perhaps your congregation or organization might be willing to help with expenses. It is possible to live frugally on 800-1000 dollars a month, per individual, in the Jerusalem area. Fifteen hundred dollars a month is the amount we suggest as a minimum for couples. We ask that volunteers arrange and cover their own health insurance if they are planning on a six-month stay. We can assist with health coverage for those able to commit to a year's time. We will arrange your visa and help you get settled.
